The FISTS CW Club active membership list is in a constant state of change. People let their subs lapse, then rejoin at an amazing rate. New members come in every day, and unfortunately, Silent Keys leave us too soon, and too frequently.

This roster reflects the active members (members in good standing, meaning, paid-up dues) as of the date printed. Dues are \$15/year. Family members at the same address are free, and dues are waived for current members age 80 and up. Dues are also free for kids under 18, and students are \$10, if not covered by the Family Plan.

Please remember that FISTS numbers are intended to be given out on the air as a means of starting conversation, and are not the be-all and end-all of a contact. Numbers that are inactive may still be counted toward FISTS awards - the fluid nature of the membership would make it impossible for our Award Manager to verify the logs if they weren't counted. We would hope that anyone who cares enough to give out their FISTS number on the air would care enough to support our activities by paying their dues.

If there is an error in your callsign or number on this roster, please contact Ed, N7CFA and let him know. His contact info is on the inside front cover.

There will be a separate Reference Issue. The conbo of the Roster and the Reference Issue is getting too large to mail as one publication. 73 88 33, Nancy Kott WZ8C #379.
